

Saturday, April 26, 2025

9-2pm at Clover Park, Port St. Lucie

The 2025 Safety Festival will be held on Saturday, April 26 at Clover Park, home of the Mets. This annual event features live demonstrations by our local First Responders. We are in the process of developing the demonstrations this year with the St. Lucie County Sheriff's Office, St. Lucie County Fire Department, Port St. Lucie Police Department and other agencies. These demonstrations show off examples of how our First Responders keep our community safe. In addition, static displays with helicopters, armored personnel carriers, fire trucks, ambulances, marine patrol, motorcycles, bomb disposal, robots and so much more show some of the tools their use in our community.

The Safety Festival also features the Fun Run presented by The Education Foundation of St. Lucie County to benefit St. Lucie Public Schools, vendors, food trucks, free kids zone, free information, giveaways, interaction with local heroes, WPBF 25 News Anchors and many other local attractions. It truly is a community event.

This important community event shows what our First Responders are doing to keep you and your family safe. It's a great family friendly, fun event. Thousands of people turn out each year to learn and have fun.

There are several sponsorship opportunities available, and we can customize something for your business as well. If you have attended in the past and would like to participate in the 2025 event please respond to this email and secure your spot. If you have any ideas on how to improve the event please let us know. For more information please visit our website at slcsafetyfest.com.

We look forward to your participation and appreciate your continued support of this great community event.

Thanks,

Tara and Mike Farrell
